

Which Bible Is Right for YOU?

The Father's Heart in the Fatherland

In Germany, a nation once torn apart by Nazi hatred, God is bringing healing through the message of the Father's love.

Metal in Your Mouth

The commonly used silver and amalgam dental fillings contain mercury—lots of it.

Poison in the Pot

I detect at least three toxic substances that are poisoning churches today.

The Crisis in Darfur

The worst direct assault on Christian communities is occurring in Sudan.

In the Land of the Savior

El Salvador, a nation devastated by war only a decade ago, is now a land of faith and spiritual renewal.

Lose It for Life

Losing weight is a resolution you can keep, with God's help.

The World's 10 Spiritual Hot Spots

Where is the church growing fastest today? A leading researcher crunched the numbers for Charisma—and the results may surprise you.

Healing a Violent Land

Uprooted by their country's long-running unrest, some of Colombia's displaced millions are finding hope through caring Christians.

Help for When It Hurts

The presence of prolonged pain can change a person's outlook on life.
