

Amazing Vision Signals a New 'Golden Era'

In a powerful new prophetic message, Pastor Mike Thompson shares a vision from the Lord that speaks directly to this pivotal moment in our nation's history. With the inauguration of President Donald Trump as the 47th president of the United States, the prayers of the faithful have been answered—but this is just the beginning.

Prophet Mike Thompson recently shared three dates with great spiritual significance behind them: Nov. 5, 2024, which was election day; Jan. 6, 2025, the certification date of the election; and inauguration day, Jan. 20, 2025. Now, Thompson is sharing about a vision he had which detailed the era we are about to walk into.

The body of Christ, as Thompson shares, is now called to move from a season of resistance to a season of reigning, as we step into radical faith, evangelism and prosperity.

Thompson says the Holy Spirit took him into a vision where he saw a soldier standing in full armor, reminiscent of the apostle Paul's description of the armor of God. This warrior held a bow in his hand, lifted it toward the sun and let an arrow fly. As the arrow soared and landed, the soldier marked his starting point, walked to where the arrow had fallen and claimed that ground as his own.

In a powerful message, renowned author and speaker Jonathan Cahn unveiled profound truths about the mystery of Israel and its unparalleled role in God's divine plan. Speaking with urgency and conviction, Cahn explored why Israel and the Jewish people have been at the center of spiritual warfare throughout history and why they remain critical to God's purposes today.

Cahn points to Revelation 12 as a main reference for Israel's prophetic importance in the end times. In this part of Scripture, Israel is symbolized by a woman in labor, something Cahn points to as incredibly prophetic.

"It's not just a woman that represents Israel," says Cahn. "It's a pregnant woman. A woman who gives birth. And that is the mystery of Israel. Israel exists to give birth, to bear, to bring forth, to bring the life of God into this world."

Cahn points out how it is through Israel that the Word of God spread to the entire world.

"Israel delivered the prophetic Revelation to the world," Cahn says. "The Bible came into the world through the womb of Israel. Messiah came into the world through the womb of Israel. Salvation, the new birth, the gospel was delivered to the world through Israel's womb. The Holy Spirit was birthed into the world through the Jewish people. The church was born into the world through a Jewish womb."

This divine role has made Israel and the Jewish people a prime target of the enemy. All throughout Scripture we see the instances where Israel is hated by many, including by Pharaoh in the Old Testament and Herod in the New Testament. However, regardless of the struggles, God has always protected His people, guiding and leading them toward the fulfillment of the promises He already planned.

Looking to the future, Cahn emphasizes that Israel's ultimate purpose has yet to be fulfilled. "There must be something gigantic and powerful and colossal and cosmic and amazing that we can hardly fathom that Israel will also bear forth," he proclaims, referencing the return of the Messiah and the redemption of creation.

Woke Bishop Turns to Daytime TV for Support After Trump Rebuke

Bishop Mariann Edgar Budde publicly addressed her rebuke of the president during the National Prayer Service on Tuesday.

Speaking to "The View," Budde says that, "My responsibility that morning, yesterday morning, was to reflect, to pray with the nation for unity. And I was pondering what are the

foundations of unity, I wanted to emphasize respecting the honor and dignity of every human being.”

Budde says she was going against a “narrative” she believes is polarizing and divisive, and that she was deliberately not paying attention to the reactions of Trump and Vance while delivering her message.

“How could it not be politicized?” Budde says. “We’re in a hyper political climate.”

She further discussed police officers and law enforcement officials coming into her church to apprehend illegal aliens.

“It was never encoded in law, any of the police officer and officials could come into our churches if they felt they had just cause. Now, they would need a warrant. They would need all the legal requirements to enter into such spaces...”

This drastic, left-leaning agenda from Budde is anything but loving and caring. Rebuking the president to push a political agenda and suggest that he does not care for those in need—especially from the pulpit—fails to express Christian love and righteousness. Her double standard regarding what law-abiding people should do reveals a disregard for respecting leadership, despite Christians being called to honor those in such positions.

This is the Age of Mass Deception

Is time travel possible, and if so, what is its significance to Christian believers?

In a fascinating video, Katie Souza shared her message with Robert Hotchkin about the concept of time travel and how it particularly relates to healing and deliverance.

“Time and space is a created substance,” Hotchkin says. “God creates it in Genesis ‘re a created the eternal realm.”

The two point out that God created time and space, and that Jesus is the Beginning and the End all at once. Souza says looks back at the story of the man with the withered hand that Jesus healed and makes a fascinating connection with how this miracle relates directly to the concept of time and space

being interwoven with one another.

“I began to look at this because God led me to this Scripture, and the word ‘stretch forth’ there is actually the Greek word ‘ekteino,’” says Souza. “Part of that denotes origin. It denotes the time, the place and the cause and the event [sprung] out of. So, when Jesus said, ‘stretch forth thine hand,’ Jesus was going back to the time the hand got withered, the place or the location in space it got withered and the cause, the accident or the disease, that made it get withered, and He healed it right at the root.”

It is this “ekteino” power that Souza points out Peter also prayed for as well.

“Peter prays this amazing prayer. He goes, ‘Now Lord, listen to their threats, empower your servants to speak the Word of God freely and courageously.’ And then he says, ‘and stretch forth, ekteino your hand of power, Jesus, through us to heal move in signs and wonders in your name,’” says Souza.

Where are Generational Curses in the Bible?

“My prayer is that whenever anyone comes into confrontation with a woke pastor or someone that’s watered down the those people would work to get control of their church, and if they can’t, find a church where the gospel is preached in the power of the Holy Spirit so that lives can be transformed,” says Johnson.

The president himself said after the service that it was “not too exciting,” and that he thought the church could have done a much better job of with it. He later took to Truth Social where he expressed his frustration with Budde’s message.

The so-called Bishop who spoke at the National Prayer Service on Tuesday morning was a Radical Left hard line Trump hater. She brought her church into the World of politics in a very ungracious way. She was nasty in tone, and not compelling or smart. She failed to mention the large number of illegal migrants that came into our Country and killed people. Many were deposited from jails and mental institutions. It is a giant crime wave that is taking place in the USA. Apart from her inappropriate statements, the service was a very boring and uninspiring one. She is not very good at her job! She and

her church owe the public an apology!

In the wake of the event, many leaders are calling for a renewed focus on the transformative power of the Holy Spirit.

“Before the service started when hardly anyone was in the room I prayed for revival in our churches,” says Johnson. “That God would bless President Trump. He’s been a tireless fighter..”

O’Brien also commented that unlike what happened at this inaugural prayer event, the National Faith Advisory Board is standing in the gap, praying for revival to transform our nation.

“What we stand for is what Travis said he prayed for in the beginning of the service, that is for revival in America, awakening in the churches, for pastors to stand up, be bold and be strong and for the gospel to be preached, for people to be saved and for families to be strong and to pray for our president and every one of our nation’s leaders,” says O’Brien.
