

How the Lord Uses His Word to Impart Truth When You Need It Most

Now more than ever it is crucial to understand that as a Christian, you have been set apart from the world by God. In one of my recent [episodes](#) of *Awaken the Wonder* on the Charisma Podcast Network, I discuss why the Lord has cleansed you. Jesus is coming back for a bride without spot or wrinkle.

Ephesians 5:26-27, says, “that He might sanctify and cleanse it with the washing of water by the word, and that He might present to Himself a glorious church, not having spot, or wrinkle, or any such thing, but that it should be holy and without blemish.”

We have to be in the Word of God to look at what He is saying. The Bible is good news—present tense. The Word is alive and breathing and sharper than any two-edged sword. We need the blood of Jesus to cover us.

When you come into communion and take the body and blood, ask Him to purify your heart. Why does He wash you? To present the church to Himself. He wants to fall madly in love with us as a radiant church, holy and blameless. This is a season to get pure before the Lord.

In Matthew 13 and Luke 8, we see the parable of the sower—the farmer who came to sow seed. Some seeds fell on the pathway, and they were trampled. The seeds sown in thorny ground were choked out because they were in bad soil.

In your life, you can be choked from the Word of God because of the friends or people you have allowed in your life.

There was also the rocky soil, so the seeds couldn't grow up,

and some of us have put so much baggage and junk over the seeds of our life they can't grow.

Luke 8 explains that the seed is the Word of God. The words that the Lord has spoken over your life are your weapons.

I was ministering in Minnesota, and I checked my phone. My wife had texted me that the air conditioning in the car went out. We live in Florida where it is hot and humid almost year-round. The church gave an offering for the ministry and gave me a \$500 dollar honorarium. We were living check-to-check at the time, so my wife and I prayed that the bill would be \$500 dollars or less. The next day we took the car to the mechanic, and when they finished, they said it was just over \$500 dollars. My wife asked how much the bill was; she wanted to know why it was more than the amount we had paid. Although the bill was just slightly over, she knew God wanted to answer our prayer, and something was wrong. I looked back at the receipt, and it said \$506.66, it was \$6.66 over the \$500 dollars. We immediately recognized it as an attack from the enemy.

That morning I had a vision and saw a large dark cloud coming at us. I didn't know what to do, but I heard a voice say, "Use what you have." I looked down at my toolbelt, and there wasn't anything there. I heard the voice again, and there were two little pouches of seeds when I looked a second time. He repeated what He said: "Use what you have."

I grabbed the seeds and the craziest thing happened. They turned into little flying arrows and went into the dark cloud, piercing through it. The seeds were burying into the ground, going deep into the earth with roots growing out. Vegetation grew out from the ground into the darkness, pushing the cloud so far back that I couldn't see it anymore. These little seeds were the only thing I had, but they were my weapons.

When God asked Moses at the burning bush what he had, and Moses only had his staff, God used it. In this same way, our

seeds are weapons. This has changed my entire life. After having the vision, we decided to sow the entire \$500 dollar check into the gospel of Jesus Christ. We emptied out our account to pay the rest of the car bill. We made that decision that day to sow against the enemy's camp.

When Everything Is Upside Down, Hold on to This Blessed Assurance

There was once a divine mystery concealed from generations that is now revealed to you.

Do you want to know what that is?

Living within you is Christ, who floods you with the expectation of glory. In God's glory, there is no sickness, no disease, no COVID-19, but there is everything you need.

In a recent [episode](#) of my podcast, *Awaken the Wonder* on the Charisma Podcast Network, I explain that these are not void

words but words that carry life. Everything you need is in the Word of God. His glory is not just presence, goosebumps or feelings, but the Bible says Jesus is the glory of God. In Jesus is everything you could have imagined.

Colossians 1:26-27 (NLT) says, "This message was kept secret for centuries and generations past, but now it has been revealed to God's people. For God wanted them to know that the riches and glory of Christ are for you Gentiles, too. And this is the secret: Christ lives in you. This gives you assurance of sharing His glory."

For generations, the hope of Jesus was kept secret, but when He came and died for us, that secret was revealed to His people. We are from a different kingdom, and we must live like we are not of this earth. When the world is running around in fear, hearing everything going on, we must look different. There is a window open right now of which Christians need to take advantage. The enemy may be trying to wreak havoc throughout the world, but God will use it for His glory. People all around the world have no idea what is coming, and they need the hope of glory, who lives in you. There is a heavenly treasure chest inside of you, and this chest is made out of hope. With everything going on in the world, you can ask the Lord to give you hope that cannot be shaken.

If God has spoken promises over your life, nothing can shake those promises. When you look at how you are living, are you living in fear or hope? The Word says God has not given us a spirit of fear but of power, love and a sound mind. Right now, you may not know how things will turn out in your situation, but the glory of God resides in the hope that lives in you.

If He takes care of and feeds the birds of the air, how much more will He take care of His children whom He loves? Matthew 6:33 says, "But seek first the kingdom of God and His righteousness, and all these things shall be given to you." These are words that God has spoken—we either believe them and

live by them, or we don't, and there is no in-between. If you believe His Word, then you know nothing can shake what He has said. If He says He will give us everything we need when we live righteously, then do not look at what the world is saying right now, but hold steadfast to what the Lord of lords and King of kings has already spoken.

The Lord has gone before and behind you, and His hand is upon you. It is time as the body of Christ that we step into what He paid for on the cross. His beard was plucked, His back ripped to shreds and He was stripped naked, not so we would live in fear but in the hope He paid for on the cross.

Rise up church, let us bring glory to His beautiful name, now and forever. We live in a voice-activated kingdom, so open your mouth today to declare what the Lord is speaking over you and your life.

Say right now, "I release the glory of God. I release the riches and abundance over every situation. I release the riches of Your favor in this situation I am facing, in Jesus' name. Amen."

Jesus Is Returning—Are You Ready?

Now is not the time to be binge-watching Netflix. Jesus is coming back, and we must have oil in our lamps, ready for His

return. Are you living your life differently today than you would if you knew He were coming back tomorrow?

That question may convict you. Jesus wants you to live fully for Him every day of your life, storing up oil so you are always prepared for His return.

In a recent [episode](#) of my podcast, *Awaken the Wonder* on the Charisma Podcast Network, I discuss the time we are in. This is a season of Matthew 25, the Parable of the 10 Virgins. Matthew 25:3-5 (NLT) says, "The five who were foolish didn't take enough olive oil for their lamps, but the other five were wise enough to take along extra oil. When the bridegroom was delayed, they all became drowsy and fell asleep."

The Word says that both the wise and foolish virgins fell asleep! It also says no man knows the day or the hour of the Lord's return (Matt. 24:36), but we do know He is going to return. When you read the Word, you can see that there are signs all around us and many things are already happening, but all of the virgins fell asleep in the season. We must be like the five virgins who had oil in their lamps and were ready.

Matthew 25:6-9 says, "At midnight they were roused by the shout, 'Look, the bridegroom is coming! Come out and meet him!' "All the bridesmaids got up and prepared their lamps. Then the five foolish ones asked the others, 'Please give us some of your oil because our lamps are going out.' But the others replied, 'We don't have enough for all of us. Go to a shop and buy some for yourselves.'"

The foolish virgins went into the town to get oil, and when the bridegroom came, he took the virgins who were ready. Every day we must be storing up oil in the secret place with the Lord. Do you want to walk the fence of living in the world and living in the kingdom? It is not enough to just get by each day with a little bit of time in the secret place. We must be living in constant communion with the Lord.

When you are training for a marathon, you do the work in advance; you can't wake up that day and decide to run 26 miles. You make choices throughout the day to make sure you are prepared and in shape for your race. Your lack of preparation for the marathon will cause you a lot of issues, and the same goes for Jesus' return. If you are honest with yourself, would you say you spend more time scrolling through social media and listening to the news or alone in your prayer closet with Jesus?

Get in His face every day. Ask the Lord to minister to you, tell Him you love Him and know Him personally. We have to be ready for what Jesus is doing right now. The enemy will try and distract you with everything going on in the world. He will use COVID-19, the election and riots to take your mind off the Lord, but we must keep our eyes focused on Jesus. The world will continue to grow in distractions, but the Lord is with you always. He doesn't want you focused on things that are not of Him and His kingdom.

As believers, we carry the light of the world inside of us. There is a lost a dying world that needs the hope that lives inside you. You can look at all of the news stations and what they are saying, what President Trump's Twitter is saying; you can look at what everyone else is saying, but don't forget what Jesus is saying. He has set you apart, chosen you as a signet ring to release God's kingdom on earth. The Spirit of God is hovering over every situation, and He wants you to release His glory across the earth.

We must have hope in this season and get oil in our lamps.

Prophetic Word: Stop Looking to Return to 'Normal'

Note: This is part two of a prophetic word given to Caleb Wampler. Read part one [here](#).

It is crucial now, more than never, that you are spending time with the Lord in the secret place and getting to know Him and His heart. This article is part two of the prophetic word the Lord gave me to build up the body of Christ to prepare the church for what He is doing. I sensed a great pleasure in my heart over those who have willingly entered into the blessing. He has kept the pests from doorsteps, prevented the thief from robbing your accounts and is turning all things in your favor because He loves you and because He knows you will be the funnel of blessing for which He can advance His kingdom into the earth.

I also felt the Lord's heart moved for all who have been faithful. In this midst of this testing, many have not lifted their voice to another. In plenty or lack, you have not turned against your God. He has not forgotten you; He remembers you, and you are not far from the kingdom of heaven. His abundance manifests in a variety of ways. Count your blessings. You are His! He is tasting of the fruit of your life through Jesus that is revealing Himself in you! You are lovely to Him. He has written your name in the annals of heaven.

There have also been some who have become very hidden in this season. Let this next part be for you. You have developed your secret place in the shadow of the Most High. You have nothing else on your eyes but Jesus. You are truly living a life that has been found worthy of the gospel. He is preparing you as a

signet ring against the powers of this world and over the powers of darkness. The time of your revealing will be soon enough although you're not looking for it. Jesus will be exalted in the nations because of you. Jesus will be exalted in government because of you. Jesus will be exalted in media because of you. Jesus will be exalted in family because of you. As the pressure increases, you will be blasted forth like a rocketship, and the Lord will demonstrate Jesus through you. You are a sweet-smelling fragrance to the Lord. Your worship has become your entire life. Your life is gold refined by fire.

Now, this is what the Lord spoke to me concerning what is to come:

Stop looking for the world to "get back to the way it was."

Everything is shaking. Do you think this is something? This was yet a small Braxton Hicks contraction in the life of the pregnancy. The genuine labor pains are coming. Everything is about to shake like it never has before in the history of the earth. The earth is groaning in response to Creator God!

Anything that God has not built is about to come crashing down. Watch for the exposure of corrupt ministers, judges, teachers, businessmen, politicians and governors. It will seem that every time you look, there is another story of corruption, greed, immorality and crisis. Do not be surprised by the uncovering of backroom handshake deals that will be exposed in both major parties.

Watch for some unknown media outlets to expose the corruption of more established networks. A major network will go bankrupt.

A couple of very prominent ministries will shut down, and so will some established churches. Anything He did not build will be torn down, and He will build it—not you, not me. He will build it. God will not share His glory with another.

I sensed an urgency in a few things. Please take note:

Get out of debt immediately! Do whatever you can to remove debt from your life. As the shaking increases, you will not want to be in debt to another. He who has will be given more. He who does not, even what he has will be taken away. I saw immense wealth falling out of the sky to some people. Overnight they had hundreds of thousands of dollars, while others became millionaires and billionaires. I was even aware that the world at this time would have a trillionaire(s). I saw others, penniless and on the streets. I saw business professionals weeping in the streets with nothing to their names, and debtors chasing them down to imprison them. Riots and strikes were the daily news cycle. I saw bodies lying in the streets for what looked like days, untouched. Unnatural sexual relations were seen on the streets. I saw some trying to get to work for the day in fear. Thieves and murderers were hiding in the shadows, and vandalism and destruction of property were prevalent. The airlines advised for no travel to certain USA cities and even stopped service to them altogether. This was also true globally, although my paradigm in the vision was from the perspective of the USA. I also knew there were not 50 states. The days of Noah had truly become the norm in cities.

I saw false accusations on the rise against the elect of the Lord. While innocent, due to the state of the earth at this time, many will be deceived not knowing who to trust. It will be more important than ever that we are a people filled with the fullness of the Spirit, baptized by holy fire and staying on the altar in every area of our lives. The accuser stands ready.

I saw a company of believers walking in the might and power of the Spirit, while simultaneously the mass corruption of the world rose rapidly. It will be necessary that we do not share intimacy with the powers of darkness. We must walk in the authority and blood-bought fullness of our salvation. We must

become one with Christ in all of our ways! We must know His ways and love Him, obeying everything He has commanded. We will walk from a place of victory, and no weapon formed against us will prosper.

I also saw an increase in people learning the ways of the Holy Spirit. Whatever you need to do, get into a place that is preaching Jesus and the fullness of the Holy Spirit. I saw people in other countries who were there without having used passports and the typical ways of travel. I saw an increase of believers seeing the angelic hosts of heaven in the earth. It will seem that everywhere you go, someone has "another angel story."

As the persecution of believers increases, many will not continue in the faith. However, an army of the Lord will rise up from the ashes of persecution and usher in the greatest revival the world has ever known. This revival will be hosted globally simultaneously, neighbor to neighbor. Watch for an increase of true apostles and true prophets to be established in these days. The Christian community will initially oppose this but will realize it is truly from God after a time. We will not enter the fullness of unity until this happens.

This word comes from the most genuine place of love and humility in my heart. I have spoken what the Lord has shown me and have not added a word to it. If I were a scholar, a theologian or a financial expert, perhaps I could expound more fully in certain areas. Alas, I plead with you, get right with God. No matter where you find yourself in this story, there is still time for God to show His infinite mercy to you. Repent; turn to Jesus! Ask Him to save you, heal you and deliver you, and ask Him to be the Lord of your life (Rom. 3:23, 6:23, 10:9-10; John 5:8, 3:16). {eoa}

How God Is Calling You to Influence for His Kingdom

The world today will tell you to get more followers on social media, to be an influencer and draw in the crowds. As followers of Jesus, we must live for an audience of one.

“If Jesus only did what He saw the Father saying or doing, then shouldn't we be doing the same thing?” said evangelist Caleb Wampler.

Wampler shares in a recent [episode](#) of his podcast, *Awaken the Wonder* on the Charisma Podcast Network, why we must only seek after the approval of Jesus.

After Peter left the upper room, he was the first one to preach to the Christian church (Acts 4). The Bible says the crowd was perplexed by the message he shared. People in the world will always be perplexed, no matter what you do, no matter what you post or say. There was another group of people who began to mock Peter, saying he was just drunk early in the morning. In the Word, we see that on that day, 3,000 people believed. That is a good first day of preaching the gospel. But many people could not understand why God was using these unschooled and ordinary men who did not have an education to change the world.

In the story of Gideon in Judges 6-7, we see a man who had never led a battle, but God raises him at that moment. In

Judges 6:15 (NLT), Gideon says, “‘But Lord,’ Gideon replied, ‘how can I rescue Israel? My clan is the weakest in the whole tribe of Manasseh, and I am the least in my entire family!’” God uses the least likely to bring His kingdom on earth. Gideon told the Lord he needed more people for battle, but God said “No, you need to get rid of people.” His army was already outnumbered 4-1, but the Lord still told Gideon to get rid of some of the warriors. Gideon spoke to the people and told them whoever was afraid, to go home. 22,000 people left that day, leaving only 10,000 warriors.

“I don’t know about you, but if there are people in your life who are afraid or speaking fear into your life, I would want to hit the mute button on that,” Wampler said.

God sent Gideon and the army to a river for a test to see which warriors would come to battle with him. At that moment, Gideon sent another 9,000 warriors home, and there were only 300 people left. He limited the crowd again to just a few people who believed they could do something. God is reducing things down to an audience of one as if saying, “Are you willing to trust Me even though things do not look as they used to?”

Gideon ends up winning the victory and becomes a judge.

What is it that God has asked you to do? What are you doing to steward His voice in your life when others do not believe you can do it?

In John 6, Jesus has the famous story of feeding the 5,000 people from the fish and loaves from a little boy. In this passage, Jesus started to realize the people were following Him for the good things He provided. A large crowd began to follow, putting pressure on Him. The people were following Jesus because they wanted a handout. We see next where Jesus asked them who would eat His flesh and blood. Jesus wants to know who His true disciples are. He is trying to find the

offense in your heart today, the offense in this generation. "We all start to say, 'Free us from the Romans, Lord,' and He says, 'No, I am doing a work inside of you that cannot be shaken,'" Wampler said in his podcast.

Doing what pleases everyone else will lead to emptiness, but doing what pleases God will lead you to light. There will always be people following you because they want something you have. We cannot find our value in humanity, but in Him and Him alone. The value in your life comes not from people and what everyone else says, but from an audience of one.

Obedience is the byproduct of someone who has counted the cost. When He tries to prune everyone and everything out of your life, can He prune you too? Spend time seeking the Lord and ask Him today if His voice is the only one you follow.

And to see how the Lord is calling you be an influencer for the kingdom, [listen to the full episode of Awaken the Wonder here.](#)

Prophecy: We Must Prepare for The Bridegroom Now

The Lord is calling out to His church, preparing us for what He has planned. Now is the time to listen to what He is saying

so you do not miss the work He desires to do in every one of us.

We are in a time where the Lord is refining, purifying and building up the body of Christ to prepare our hearts for what He is doing. The Lord spoke to me and gave me this prophetic word to share with His people. I share these words with all humility and desire to stay true to what He has shown me.

I hope that we will all humble ourselves, turn from our wicked ways, and allow the Lord to perform the beautiful and painful work of refining us by fire. He truly desires a bride that is pure and blameless. God did not show me a timeframe of when these things will occur, but I felt a sense in my spirit that this was already in motion.

Purity is necessary, and righteousness matters. The Lord is sending a refiner's fire to the body of Christ and leaders. He is cleaning out the cobwebs of every heart, that nothing may prevent His fullness from residing inside of us. God is confronting the hidden places of the heart, opposing the proud, and desiring to manifest His glory within us in a place that is comfortable to Him. He is revealing every motivation of the heart. He will not put up with anything contrary to His nature and His will.

Leaders, we cannot say one thing to the Lord in the secret place and do another by our actions outwardly. For many, our words have become meaningless to the Lord. They are spoken and empty, without action or intent to act upon them when the Lord has so graced us with His visitations.

We are without a desire to steward the seeds He placed inside of us to establish a work of discipleship in the body of Christ. We are swayed by the wind of what the itching ears of what people want to hear, by the demons of media-driven seducing spirits, by the doctrines of demons that want to control our carefully crafted plans to leave us without

protection, without power, and without blessing.

These same demons happily hunker down in our church services, our vision planning meetings and our small groups, stealing the word from people's hearts before it has a chance to grow and manifest. Why? Because we allow them to stay. They are not intimidated in the slightest by our powerless presentations, as the holy angels of God sit idly by bored and hopeful that we would put them into motion to drive back the forces of darkness.

But, follower of Jesus, child of God, co-heir with Christ, believer, before you say Amen, and point the finger to a leader or pastor in your life—we have become a stench in the nostrils of our God by enabling the same demons to hunker down in our families. We have allowed them to run around rampantly, seducing at will, agreeing with the spirit of the age, and allowing the filthy and putrid disgust of the enemy to steal away our hearts from the *one true God! Repent!* We have not led our families and have not equipped them through His Word.

Leaders, long ago when the Lord first called you, you were so eager, so loving to Him. He was truly your only desire! Now the enemy has stolen that precious seed of intimacy from your heart. God has desired to fill you with *holy desire, one desire*, for Him, and Him alone. Somewhere along the way, it has been lost. *Repent*, remember your first love.

He has provided for all of, His fullness to come out, through the five-fold leaders He has established, and yet so often we tear down what He has established, by bickering amongst ourselves. How wicked and perverse are we to think we have a better way than the one who created all. We must repent. We must speak life and thank God Almighty for our brothers and sisters, who after all, are the bride of Christ with us, and we with them. We must not tolerate the poison of our tongues, which becomes the deadly spark that has set the world on fire. We did this, and we must cry for mercy. Our present state in

this world is the fruit of our labor.

We, as believers, are under a curse for abstaining and refusing to honor the Lord through our tithes and offerings. He has arranged for His children to reap a hundredfold return in the land during a time of famine. So many have negated His perfect plan by hoarding, holding and selling themselves to the systems of this world. We have thought our way was better than God's.

We have allowed our fear to insert itself in obstruction of God, the provider. We have willingly removed ourselves from blessing and placed ourselves under a curse. The Lord has said, "Give and it will be given unto you..." His wealth is infinite, and He has desired to abundantly pour open the windows of heaven over you. He has desired to fund the work of the Gospel through you.

In your desire to be rich to build your kingdom, the advancement of His kingdom has suffered. Stop looking to the left and the right at the latest growth scheme. Do what He has told *you* to do. Look at yourself in the mirror. Do you see Jesus? That was God's intent.

The Lord is pleased with those who have been faithful and diligently seeking Him. In part two of this Word, I will share what the Lord spoke to me regarding what is to come in our nation.

How You Can See God Move Mountains in Your Life

Right now, in America, millions of people are striving for better jobs, materials and success, in hopes of filling a void in their life. Evangelist Caleb Wampler has traveled the world, sharing the good news of Jesus with hundreds of thousands of people.

[In episode six of his podcast *Awaken the Wonder*](#) on the Charisma Podcast Network, Wampler said, "some are around looking for pleasure, some are around working their busy jobs, others trying to fill the void, climb corporate ladders."

Wampler shares how walking in humility before God is how you will see Him move mountains in your life. He shares insight in the episode, on King Uzziah from the Bible. The Lord made King Uzziah prosperous and gave him an abundant life. When Uzziah became prideful, his world started to crumble. "Uzziah thought that he built his kingdom. When God had blessed him in the beginning, he was humble. In the beginning, he was going on his way, trying to do the right thing, seeking the Lord, but before he knew it, he, just like many people around the world, got lost on his pathway to busyness," Wampler said.

In the Bible, you will see that when Uzziah died, Isaiah said

he saw the Lord. In this episode, Evangelist Caleb shares how Isaiah approached the Lord in a completely different manner. In Isaiah 6:5, you see him say, "Woe is for me, for I am undone! Because I am a man of unclean lips." Instead of reacting with a sense of pride when God blessed him, Isaiah did the exact opposite: he began to humble himself.

In a world where so many people are looking to exalt themselves, Wampler talks about the importance of humbling yourself and exalting the Lord. "My friends, I don't know about you, but this whole earth will be filled, with His glory one way or another. If you are like me, maybe you want to join me on the path to see how humble we can become, how close and near to God can we become, because when pride dies, the glory of God comes," Wampler said.

When we seek after the heart of Jesus above all else, we find that pride and thoughts on things of the world start to die. In the culture we live in today, many people are hungry for success and not God's heart. In the world, we can fall into the trap of desiring success, and we open ourselves up to temptation. As soon as Uzziah started reveling in his success, he began to exalt himself above God. Self-exaltation is the same sin Adam and Eve were tempted with when they were in the garden. Wampler said in his podcast, "I don't know about you and what you are facing, but if we humble ourselves and turn from our wicked ways, He won't just heal us, but He will heal our land."

Our neighbors, friends, co-workers and family members need to see, now more than ever, us exalting and lifting up King Jesus above all else. When He blesses you, continue to lean into the grace of God, just like Isaiah, humbling yourself before the King of kings. In a society that lives for exalting self, as the body of Christ, we must burn for exalting Jesus. Our country needs to see the glory of God fall like never before, and as Wampler said, let us see how humble we can become.

John 3:30 (NLT) says, “He must become greater and greater, I must become less and less.” Let that be the cry of our hearts in this generation. [Tune in to episode six of *Awaken the Wonder*](#), to continue to ignite the fire in your heart for Jesus. {eoa}

Do These Things to Strengthen Your Intimacy With Christ

At a point in his life where he had seen miraculous moves of God on the harvest field, evangelist Caleb Wampler came face-to-face with Jesus in a vision.

“To me, the vision was about a very simple thing. In that season of my life, I was hungering so much for all the things God had to offer, all the things He could do, that I was missing in certain windows the beauty of Him,” Wampler said in his podcast, [Awaken the Wonder](#).

In episode one, Wampler shares his heart to seek after intimacy with Jesus above all else. Right now, in the world, you can fill your plate with COVID-19 reports, an election cycle and the riots that are all around, but Wampler shares how you can find hope and peace in Jesus. Wampler shares through his experiences, how you can be filled with the true bread of life. “You can fill yourself up with anything you want. I don’t know about you my friends, but I’m going to eat bread; I’m going to eat Jesus. The gospel is Good News present tense,” Wampler said.

Wampler travels the world sharing with hundreds of thousands

of people about the Good News of Jesus the Savior. As you listen to his encounter with Jesus, your faith will be stirred, your heart will long for more of God and you will hear firsthand why intimacy with Him must be above all else. Matthew 6:33 (NKJV) says, "But seek first the kingdom of God and His righteousness, and all these things shall be added to you."
