

Red Heifers and the Return of Christ

Early in the morning on Tuesday, Mar. 26, the United States was shocked to watch a cargo container ship crash into the Francis Scott Key bridge, collapsing the structure.

This catastrophic event saw the Port of Baltimore shut down and is expected to have a devastating impact on the area for both commuters and cargo haulers.

To date, there are two confirmed fatalities and a total of six suspected deaths caused by the bridges collapse, however salvage crews need to continue work before rescue and recovery efforts can continue, according to the AP.

What if there were more to this event than meets the eye? Many have already taken issue and voiced their opposition to the government's official narrative and declared this to be a "black swan" event.

But suppose there was a supernatural side to this devastating tragedy?

According to Z Ministries, prophetic voice Joseph Z had "earlier prophesied in his past broadcast of Oct. 4, 2021, about ships in the sea, where he hoped and prayed that the ships he saw in his vision were not a Trojan horse for military action. Also, in his broadcast on Dec. 31, 2020, he gave the same prophetic word about sinking ships, explosive sea vessels, fire and pollution."

With the current state of the world being one that embraces darkness and rejects the righteousness and design of God,

could the mass casualty event in Baltimore have been a sign of the times and a warning to America?

On Mar. 13, Z prayed against this very scenario, holding a live broadcast to lift up America before the throne of God and “he prayed against mass casualties on US soil.”

For those doubting the power of prayer, remember, the judgment of Nineveh would not have been halted if Jonah had simply prayed for the city, there must be repentance to delay or halt God’s retribution for their sin.

“The prophetic word I’ve been giving is number one: that there’s coming a cyber attack,” Z warns.

“It is a attack on our Star Spangled Banner. It’s an attack on everything, and it is dropping so to speak some of the very word or the the penned song for our national anthem. It is an assault on the US. When this happened, this word ‘Dali’ is the title or the name of the vessel that hit it. It means this [in Hebrew]...drawn up of God or drawn towards God. That’s the name that’s the meaning drawn towards God or Heavenly Offspring,” Z reveals.

“We’re coming to a moment where the Lord is saying, ‘draw back up to Me. Come up to Me. Come up higher.’ That’s what He’s saying now,” Z continues.

In the wake of the deadly shooting that took place in Russia, in the wake of the war in Israel and the conflicts all around the world, Z is calling the Christian community to seize this Nineveh moment and pray with a repentant heart against the slew of mass casualty events that are plaguing the world.

“I am interceding over America against more mass casualty

events against all these issues,” Z shares. “These are terrible issues that are taking place. ... I believe there’s going to be a lot of justice that is served in a lot of these areas and some of the people are calling these out.”

“I believe there is a lot more to this demonic narrative that’s trying to casue these things to happen,” Z continues.

If Christians ever wonder what they can do to help a world that they may feel powerless in, join Z in prayer and repentance for our nation, for our world. God is a just God, and is longsuffering in waiting for His people to turn their hearts back towards Him. But times of judgment will follow the sins of a people and a nation.

“I’ve been praying and interceding and working through this process, and I want you to join me. I want you to join me in praying for America. I want you to join me in praying for your precious nation,” Z says.

TD Jakes Named in Lawsuit Against Diddy

In the wake of a Homeland Security raid on rap mogul Sean “Diddy” Combs’ estates in Los Angeles and Miami, a list of celebrity names has been revealed in court filings for a lawsuit against Combs.

On that list is senior pastor of the Dallas-area megachurch

The Potter's House, Bishop T.D. Jakes.

Media outlet Newsweek listed the celebrities appearing alongside Bishop Jakes in the lawsuit:

- *Stevie J (Steven Aaron Jordan), a music producer and television personality*
- *A redacted name of a Philadelphia rapper who dated Nicki Minaj*
- *A Grammy Award-winning R&B singer who had trouble with law enforcement after assaulting a Bajan billionaire, whose name was also redacted*
- *Yung Miami, who was not labeled as a celebrity in the filing*
- *Prince Harry*
- *Bishop T.D. Jakes*
- *Cassie Ventura, a singer and dancer*
- *Georgia Mass Choir*
- *Donald Lawrence, songwriter and music producer*
- *The Clark Sisters*
- *Smokie Norful*
- *Faheem Muhammad*
- *DeForrest Taylor*
- *Jose Cruz*

Bishop Jakes has not currently been charged with any crimes and has categorically denied previous accusations made against him in regards to attendance at Diddy's infamous parties.

It is reported that the raids are in response to a series of sex-trafficking allegations made against Combs, in addition to a recent string of lawsuits that allege the entrepreneur also committed sexual assault along with additional cases of trafficking.

As Charisma News previously reported, The Christian Post talked with Derrick Williams, executive vice president of T.D. Jakes Entertainment, who said:

Bishop Jakes was in LA for important business meetings, and we felt that a quick appearance at the former Chairman of Revolt's birthday event was the respectful thing to do since Bishop Jakes' sermons are aired on the Revolt Network.

We both greeted the family, Bishop Jakes recorded a brief celebratory birthday video and left immediately to take our other scheduled meetings. Any accusation to the contrary is wholly unsubstantiated, unverified and false.

Bishop Jakes will continue to break down barriers and find relevant ways to tell faith-based and value-based stories. This and only this continues to be our North Star.

The accusations against Jakes stemmed from "an unverified report that accused Jakes of being a frequent participant at sex parties hosted by music mogul Sean Combs, known as Diddy. However, a representative for Jakes has dismissed the claims as 'unequivocally false and baseless.'"

Currently, there are no reports of Combs being arrested, and it is suspected that he fled the country shortly before the raids occurred in his private jet to an island in the Bahamas according to NBC News. It has not yet been confirmed if he was in fact on the jet when it left U.S. borders.

This is a developing story, and Charisma Media will provide updates as they are released.

‘Make America Pray Again’: Donald Trump Selling ‘God Bless the USA’ Bibles

Former President Donald Trump made headlines, again, but this time it wasn't for any trial developments or considerations as to who his pick for vice president in his potential administration would be.

This time, he is promoting the God Bless the USA Bible on his social media app Truth Social, alongside country music legend Lee Greenwood.

“Happy Holy Week! Let's Make America Pray Again. As we lead into Good Friday and Easter, I encourage you to get a copy of the God Bless The USA Bible,” Trump posted on the platform alongside a video of himself promoting the bible.

In the video, Trump exhorts all Americans to keep a Bible in their home.

“All Americans need a Bible in their home, and I have many. It's my favorite book,” Trump says.

Within the pages of this King James Version of the Bible, according to their website, is a copy of:

- Handwritten chorus to “God Bless The USA” by Lee Greenwood
- The U.S. Constitution
- The Bill of Rights
- The Declaration of Independence
- The Pledge of Allegiance.

The large print Bible is currently being sold for \$ online.

Throughout the video, Trump declared that America needs to bring religion and Christian values back to America, and that is the way to stop the current course America has found herself on.

“Religion and Christianity are the biggest things missing from this country. And I truly believe that we need to bring them back and have to bring them back fast,” Trump says. “I think it’s one of the biggest problems we have. That’s why our country is going haywire. We’ve lost religion in our country.”

As reported by Fox News, “The Bible is the latest product Trump has promoted after releasing a line of \$400 sneakers earlier this year.”
