30-Day Marriage Makeover

✖ Doug Weiss, Ph.D. | Siloam

Sadly, it's no surprise that only half the marriages in America last. And, perhaps even more devastating, is the fact that this is true even among Christians. But author and counselor Doug Weiss can help couples build a foundation that will stand any trial or tribulation.

In *30-Day Marriage Makeover*, Weiss discusses the power of intimacy and explains how couples can experience the abundant life Jesus promised—yes, even in marriage.

“Throughout my years of counseling, I have discovered that many marriages lack structures to encourage intimacy. We grow up believing that one day we will get married and live happily ever after. We enter marriage ill equipped for intimacy and are disappointed when our husband or wife doesn't possess the secret code to intimacy either,” writes Weiss.
