

The History America Chose to Forget

Racial Reconciliation

The lynching of black Americans has been an ugly, forgotten secret in our nation's past. Now, a historic photo exhibit has exposed the magnitude of a horror we can no longer ignore.

As morning dew settled on the almost unidentifiable remains of a Negro whose tragic fate had been sealed at the hands of an angry white mob, black undertaker J.B. Stone removed the ravaged body left hanging from a tree and prepared it for burial.

The History America Chose to Forget

The lynching of black Americans has been an ugly, forgotten secret in our nation's past. Now, a historic photo exhibit has exposed the magnitude of a horror we can no longer ignore.
