

'God Was There': AG Church Erupts in Flames, Dog Alerts Neighbor to Call 911

In the dead of night, Kim Lewis awoke to the fervent barking of her dog, Bear.

Quickly shaking the sleep from her eyes, she saw out her window the neighboring church, Yorktown Assembly of God, going up in flames.

She immediately dialed 911, and then alerted neighboring staff members to vacate their home in case the fire spread.

Upon arriving, the fire chief told Lewis to "buy a raffle ticket because it's incredible that this is how minor the damage is. ... Five or ten more minutes without the 911 call, and the entire building would have been engulfed."

The church knows, however, that luck had nothing to do with it. "It was God's protection over His church and people," its Facebook announcement says.

"We know God was there tonight protecting our building," the ministry wrote.

"But with God all things are possible" (Matt. 19:26b).

We've all heard this verse and probably have said it several times ourselves. Yet as Pastor Mike Signorelli of V1 Church points out, it can be hard to believe. You can know God and His heart, and have proven your character, yet also be overtaken by fear.

Signorelli states, "Fear is always the first assignment to counteract faith." In fact, the Bible tells us 365 times to

not be afraid!

He then tackles our belief that all things are possible for someone else. We believe his wife can be saved, that her mom will be healed from her illness, that that person will do great things or that region will see great revival. We often don't believe it for ourselves.

Yet as Signorelli points out, the verse doesn't say some things are possible. The verse says that all things are possible, and he challenges you to remind yourself, out loud, that *all things* are possible with God.

How to Bring the Unseen on the Scene

The church is not just brick-and-mortar. We are the church; our bodies are the Lord's tabernacle and called to be a "house of prayer." Were you aware that one of heaven's most powerful weapons in its arsenal is prayer? In the Old Testament, there was a veil that separated God's chosen people from entering into the holy of holies and into the holy place, or in other

words, the presence of God.

However, God still gave specific instructions in Exodus 25-27 on how the tabernacle should be built. The tabernacle was the place for His Spirit to indwell and where believers could go and worship. I'm here to tell you, Freedom Fighters, that you are the tabernacle; the veil no longer exists thanks to our Lord and Savior Jesus and the blood atonement made for our sins. God has set a pattern before us in prayer where we can be completely consumed in Him by entering into His presence in prayer.

In the episode *How to Bring the Unseen on the Scene of Flawed & Free* on Charisma Podcast Network, I share tangible strategies of how you can effectively create intimacy with our Father through worship and call heaven down to earth. Be mindful that it is the enemy's job to send as many distractions as possible. However, by partnering with the Holy Spirit, I have equipped the saints with the tools needed to combat those attacks and strategically hit a bullseye in heaven through prayer.
