

Times Like These

 Austins Bridge | Daywind Records

Justin Rivers and Jason Baird have a passion to share the love of Christ. One way they deliver the message of the gospel is as singing duo Austins Bridge. They create a unique blend of Southern Gospel and bluegrass/country music, and are back with their sophomore release, *Times Like These*.

Austins Bridge deliver their tight harmonies on such songs as “Good Times,” “Hold on to Jesus” and “Mercy,” a song of encouragement in tough times. This band, which won Bluegrass Song of the Year in 2008, has the musical talent to appeal to fans of such popular country artists as Rascal Flatts, Brad Paisley and Keith Urban, yet also delivers a clear Christian message.
