

The Lord's Prayer

The Lord's Prayer

R.T. Kendall

Chosen Books

R.T. Kendall recommends seeing *The Lord's Prayer* as an outline with general topics for prayer that every disciple can use to pray specifically. He discusses coming to God in worship—focusing on God, praying God's prayer list about the kingdom and praying for personal needs. Kendall also emphasizes the role forgiveness plays in a powerful prayer life. An excellent tool to deepen personal and corporate prayer.
