

Charisma Online August 2010

Want to receive the Holy Spirit's baptism?

If you've never experienced the baptism of the Holy Spirit, go to [this link](#) to have someone help you in praying for this amazing gift. (Or listen in on how you can pray for others to be Spirit baptized.)

The Science behind tongues

Researchers at the University of Pennsylvania conducted a series of medical tests on patients who speak in tongues. The study yielded surprisingly positive results. Learn about the science behind glossolalia at [this link](#).

Everything you need to know about the gifts (ok, almost ...)

A true father figure in the charismatic movement, Bill Hamon has taught on the baptism and gifts of the Holy Spirit for more than 50 years. Here's your chance to ask him any question. Join the Christian International Ministries Network founder on Aug. 10 at 9 p.m. for a live conference call. Only the first 1,000 people can participate, so reserve your spot now and submit a question at [this link](#).

We're not dead yet
