

Charisma Online March 2010

Celebrity Testimonies

Check out *Charisma's* photo essay of celebrities sharing how God has changed their lives. A tearful Steve Harvey, who is most recently known as a *New York Times* best-selling author, says it was his mother's persistent biblical teachings when he was a child that eventually guided him back to Christ. Find his and others' testimonies at .

Haiti: Still Work to Be Done

Christians are still at work helping to rebuild the island nation of Haiti after a magnitude 7 earthquake struck in January. Go to for firsthand, exclusive reports from *Charisma* editor Valerie Lowe as she investigates stories about God's miraculous intervention and believers who are aiding Haitian victims.

10 Ways to Evangelize on Facebook

Admit it, whether you are young or old Facebook is probably a (sometimes large) part of your life. With more than 350 million people on the Web site, shouldn't Christians use it as an evangelism tool? Go to [fbevangelism](#)

. to find the top 10 ways to use Facebook for evangelism. Also, you can become a fan of *Charisma's* Facebook page by going to .

Being Faithful Among the Faithless

Ever wonder how to live in this world but not be ensnared by the secular lifestyle? Are you concerned that Christianity has become nothing more than just another worldly subculture? Then go to [to find a Bible study that can help you remain faithful among the faithless.](#)

Two Sides: Christians and Tattoos

When *Charisma* printed the article *The Dark Side of Tattoos*, readers flooded us with feedback both for and against tattoos. So how much does your outward appearance matter when it comes to a Spirit-filled walk? Christian leaders and readers weigh in at

.
