

Did I Say That Out Loud?

 Chonda Pierce | No Whining Productions

Chonda Pierce, 2009 Comedian of the Year Visionary Awards Christian Music Hall of Fame, is back with more of her Southern charm and real-life humor with a new DVD, *Did I Say That Out Loud?*

This is Pierce's ninth DVD release and features an added approach to her stand-up routine: fielding questions from the audience. Pierce answers with whatever pops into her mind. Join in the laughter as Pierce gives her hilarious perspective on Botox, Hollywood, low-riding jeans, flying wigs and much more.
