

Faith and Grace

Therefore, it is of faith, that it might be by grace; to the end the promise might be sure to all the seed. **—Romans 4:16**

God's Word says, "by faith, that it may be by grace." Grace is omnipotent, active, benevolent, and merciful. Grace is true, perfect, and an inheritance from God that the soul can believe.

Grace is of God. It is by faith. You open the door by faith, and God comes in with all you want.

Faith acts on a fact. A fact brings joy.

So you hear the Scriptures, which make

you wise unto salvation, opening your understanding, so that if you hear the truth and believe, you will receive what you want. By faith you open and shut the door. By grace, God comes in—saving, healing, and meeting your needs.

Father, I thank You for Thy grace. By faith I open the door of
my
life to receive all that is in Thy grace—thy salvation,
healing, and blessings in Jesus Christ. Amen.
