

Faith Is an Act

In the beginning was the Word, and the Word was with God, and the Word was God. —**John 1:1**

We are saved by faith and kept by faith. Faith is a substance. It is also an evidence. God is. He is!

Faith goes on to act. It's a reality, a deposit of God, an almighty flame moving you to act, so that signs and wonders are manifest.

Faith takes you to the place where God reigns, where you are imbibing God's bountiful store. Unbelief is sin.

Jesus, You have created all that is.
I desire to act on Your Word and
to live by the power of
Your Word. Amen.
