“Our upcoming campaign in Bali, Nigeria, will truly be a momentous event,” Bonnke said.

On March 14 and 15 from 1 p.m. to 4 p.m. (EST) participants will be able to view the live webcast of the final two days of Bonnke’s five-day Bali crusade.

The Christ for All Nations founder’s global crusades have been marked by numerous testimonies of healings and millions of souls that come to Christ.

Since the crusade began Wednesday, Bonnke has recorded testimonies of healings. “A man unable to walk for 4 years was brought by his sister to the meeting tonight,” he said in a letter to his ministry partners. “He was lying on the ground when the power of God came over him and completely healed him. When he came up to testify, he was so excited that he ran from one end of the platform to the other.”

From the beginning of January Bonnke has seen 2.2 million people come to Christ and in the last five years his ministry has seen 42 million souls changed.

The webcast is free but viewers will have to register on the Web site to gain access.
