

Praying in Harmony

They were all filled with the Holy the multitude of them that believed were of one heart and of one soul. **–Acts 4:31–32**

God lifts the church in prayer into a place of manifested reconciliation, oneness of accord, until the devil has no power.

Whatsoever things ye desire when ye pray, only believe! How the Master can move among the needs and perishing when He has the right of way in the church!

Let us be in harmony, in one accord, as we pray with the divine plan having knowledge connected with love.

Lord, teach us to pray together in such unity
and in one accord that by faith we might
see You do great and mighty
things in the church. Amen.
