

Salvation and Healing

When Jesus saw their faith, he said unto the sick of the say unto thee, Arise, and take up thy bed, and go thy way into thine house. **—Mark 2:5, 10–11**

Before leaving home, I received a wire telling me that I should go to Liverpool. There was a woman with cancer and gall stones who was down with much discouragement. If I know God is sending me, my faith rises. God sent me to her.

The woman said, “I have no hope.”

“Well,” I said, “I have not come from Bradford to go back home with a bad report.”

God said to me, “Establish her in the fact of the new birth.” When she had the assurance that her sin was gone and she was born again, she said, “That [salvation] is everything to me. Cancer is nothing now. I have Jesus!”

The battle was won. God delivered her. She was free from sin and disease. She got up, dressed, and was happy in Jesus.

Will you believe?

Jesus, You are my salvation and my healing.

I believe that You alone can set me
free from sin and sickness. Amen.
