

Women of Faith Worship

 Women of Faith | Thomas Nelson

The Women of Faith worship team offers 10 songs from some of today's top songwriters, and includes the well-known "Amazed," "Indescribable" and "Healer." The tight harmonies of the group will immediately draw listeners in and compel them to take part.

Opening the album and setting a reverent tone is "God of This City," which declares that Jesus is King and Lord over our cities, people and nation. "I Am Free" is a declaration of faith, that God causes the blind to see, the mute to sing, the dead to rise. He brings total freedom.

The pace slows a bit for "Lead Me to the Cross," written by Brooke Fraser. This ballad will lead listeners to surrender: "Lead me to the cross / Where Your love poured out / Bring me to my knees / Lord, I lay me down / Rid me of myself / I belong to You."

Women of Faith attendees will enjoy hearing the familiar music and vocalists, and new listeners will be encouraged by the solid, faith-filled worship. The Women of Faith worship team accomplishes what they set out to offer: songs to stir your spirit and sooth your soul.
