

10 Lies Men Believe

 J. Lee Grady | Charisma House

Following up his *10 Lies Women Believe*, J. Lee Grady, best-selling author and former *Charisma* magazine editor, offers the counterpart for men, *10 Lies Men Believe: The Truth About Women, Power, Sex, and God—and Why It Matters*.

Tackling such common beliefs as “A real man is defined by material success,” “Real men don’t need close male friendships” and “Real men don’t cry,” Grady addresses the roots of these lies, counters with wisdom based on the Scriptures and affirms men as God has fashioned them.

Grady speaks plainly about sex, male pride and priorities, yet asserts that spiritual breakthroughs are possible. Men will relate well to him, as he opens up about his own insecurities and personal life.

Each chapter—beginning with sometimes startling quotes from sources ranging from movie actors to church fathers—includes discussion questions and a brief prayer. The book closes with an appendix offering keys to spiritual power in a man’s life, including how to be filled with the Holy Spirit.
