

10 Reasons You Need to Prepare for the Last Days Right Now

You may be ready for the end times to begin tomorrow. You may think it's all balderdash.

With Bible prophecies appearing to come to pass right and left, it might be time to rethink your strategy.

For "Desert Prophet" John Shorey, preparing for the tribulation and last days is just plain 'ol common sense for 10 reasons.

1. America must be diminished as a world superpower in order for prophecy to be fulfilled.
2. Iran will soon have nuclear weapons capabilities.
3. America may never see a happy recovery of the happy days of the past.
4. Events in Syria are pointing to the possibility of a Psalm 83 war.
