

2 Word-of-Faith Prayers That Will Get You a Miracle

Pastor Jim Kibler says miracles are easy if you know the secret. In fact, he goes so far as to say you can get a miracle whenever you want.

“I don’t just pray with people,” Kibler says on the “Receiving From God” podcast. “Other prayer lines, other prayer people, they just pray with people. Not me. I get your prayers answered.

“... The prayer of faith will sometimes heal a person very quickly. But if you don’t get healed when somebody prays the prayer of faith over you, it’s because it didn’t work. ... It wasn’t a true word-of-faith prayer. A prayer of faith works every time very quickly.”
