

20 Reasons We're Saying No to '4 More Years'

On the wall of my study, I have a letter from one legendary leader who had a major influence on my life, Chuck Colson. It hangs above an autographed picture from President Ronald Reagan. Colson was a champion in evangelical Christianity, founder of Prison Fellowship and former White House hatchet man before he converted to Christ.

Colson was a “watchman on the wall” who exhorted me to follow in his steps. He said, “No civilization has suffered the loss of two successive generations and survived. We’ve already lost one.”

I’m passionate to communicate “present truth” (2 Pet. 1:12b, NKJV) that God is emphasizing in our generation to awaken the people of God to what’s most important at this critical time. I’m privileged to join other dedicated servants with the same assignment.

As we rapidly approach the most consequential presidential election in U.S. history, I can almost hear Colson in that “great cloud of witnesses” (Heb. 12:1) cheering all of us on from the grandstand of heaven. We must step off the sidelines and into the arena as agents of change who will not relinquish our beloved nation to secularists and socialists radically committed to what Obama called the “fundamental transformation of America.”

20 Areas to Say 'No More'

1. Continuing corruption and coverups in government. Biden family mysterious millions? Hunter’s laptop and tax evasion? Russian collusion? Unconstitutional debt “forgiveness?” Dementia?

2. Increasing control of Congress enacting policies contrary to our Constitution. Never in 200 years has the Senate (with 21 impeachment trials) ever simply dismissed one as is being attempted now with Homeland Security overseer Alejandro Mayorkas. Sen. Chuck Schumer, D-N.Y., says, "Impeachment is never to be used over policies" yet this is clearly not merely policy differences, but lying to Congress plus "high crimes and misdemeanors," violating the United States Constitution.

3. Repeat coercion and abandonment of Israel. On June 22, 1982, then-Senator Biden threatened (as now) to cut off Israel's aid. Jewish Prime Minister Begin confronted him: "Don't threaten us with cutting off your aid! It will not work! I am not a Jew with trembling knees. I am a proud Jew with 3,700 years of civilized history. Nobody came to our aid when we were dying in the gas chambers and ovens. Nobody came to our aid when we were striving to create our country. We paid for it. We fought for it. We died for it. We will stand by our principles. We will defend them. And when necessary, we will die for them again, with or without your aid!"

4. Election fraud and manipulative practices. No Voter ID, illegal immigrant voting, ballot harvesting, lack of surveillance and more.

5. Propaganda and promotion of "trans" ideology. Drag shows in school classrooms and libraries, transgender-friendly curricula and more.

6. A disastrous economy and inflation contradicting "Bidenomics." Glowing pronouncements, yet brutal realities and bankruptcies (Rite Aid; Bed, Bath & Beyond; \$.99 Only [just closed 370 stores]).

7. Prices for Essentials—groceries and gas—continuing to escalate nonstop.

8. Unrestrained open borders influx and insanity. Rampant drug and sex trafficking, terrorists, criminals, rapists, law breakers, unvetted immigrants and more.

9. Multiple wars and threats of terrorist cell activity. Hundreds on terrorist watch lists have been caught, but over 50% easily slipped by.

10. Unprecedented weaponization of government agencies. Ninety-one felony charges against a former president and presidential nominee.

No More Elaboration, Just 10 More

11. Ongoing LGBTQ indoctrination of children in schools.

12. Celebration and promotion of abortion until birth and beyond (along with abortion pills being pushed).

13. Obscene spending which is accelerating our \$34 trillion debt and monetary meltdown.

14. Obsession with climate change, mandatory restrictions and forced alternatives.

15. Increased surveillance and loss of freedom.

16. Appointment of leftist judges and prosecutors promoting lawlessness and laxity in criminal justice.

17. Terrifying levels of fentanyl and drug distribution resulting in record deaths (100,000 annually), gang/cartel activity and violence in our cities, subways and schools.

18. Injustice in women's sports with transgender insanity, forfeiture of privacy, loss of awards (over 300) and scholarships.

19. Job-killing regulations and racist diversity, equity and inclusion policies in corporations, schools and military.

20. Marxist strategy in play to replace traditional America. Progressives are replacing America, established on Judeo-Christian foundations and blessed by Almighty God, with a socialist/secular model (state is god/we are subjects) controlled by centralized government of elites in the totalitarian regime.

Here's the deal: The unmitigated open border disaster, allowing an avalanche of over 10 million unsupervised and unvetted illegal immigrants into America, is intentional and according to pernicious progressive plans. It is a glaring example of radical activism, which I hope will jolt America into an awakening.

Together with Chuck Colson and freedom-loving, patriotic, traditional Americans, upon whose shoulders we stand, let's line up to tell others, pray and cast our vote that triumphantly declares, "No more!"
