

3 Major Revelation Signs That Happened Over the Weekend

From the plummeting of Wall Street to the blizzards crushing the East, Revelation signs are among us, say Zach Drew and Andrew Bellers, the hosts of *Revelation in the News*.

You might ignore signs of decline, but the two say you must be more engaged.

“If the market isn’t on your mind and it’s not the focus of all your attention right now, we can promise you it’s going to be. You might not be feeling the effects very hard right now, but you will be in the future,” Bellers says.

But it’s not just the economy, which is playing a major role in the upcoming election.

Watch the video to see the signs.
