

3 Reasons You Should Attend Faith Summit 2018

A national epidemic has been ignored for too long—a dark addiction fueled by instant access to pornography, spawning a commercial sex industry that is consuming our children.

Our world has been helpless to stop the tide because we, the church, have remained silent. We cannot afford to stay frozen in fear and ignorance.

In America—in our churches, schools and communities—children are being bought and sold for sex every night.

But together, we have the power to push away the darkness.

We can play a mighty role in confronting and stopping this tragedy if we are ready and willing. Here's how.

Join us for the JuST Faith Summit June 20-22, 2018, at Bethel University in St. Paul, Minnesota.

Here are three reasons why you should attend the JuST Faith Summit:

1. **Get Equipped**—You want to help but don't know where to start. We do. Join us to learn practical tools for getting started and finding a dynamic and sustainable way to leverage your community's resources to tackle trafficking.
2. **Get Connected**—There is a committed, dedicated team across the nation making meaningful strides in the fight against sex trafficking. We want you to meet them. Learn from others and share resources to make the biggest impact possible.
3. **Get Inspired**—Hear amazing stories of freedom, restoration and change. We are launching a movement

within the church to face the overlooked issue of sexual exploitation and want you to be a part of it.

Please join us—let's bring an end to this epidemic together.
