

30-Day Marriage Makeover

 Doug Weiss, Ph.D. | Siloam

Sadly, it's no surprise that only half the marriages in America last. And, perhaps even more devastating, is the fact that this is true even among Christians. But author and counselor Doug Weiss can help couples build a foundation that will stand any trial or tribulation.

In *30-Day Marriage Makeover*, Weiss discusses the power of intimacy and explains how couples can experience the abundant life Jesus promised—yes, even in marriage.

“Throughout my years of counseling, I have discovered that many marriages lack structures to encourage intimacy. We grow up believing that one day we will get married and live happily ever after. We enter marriage ill equipped for intimacy and are disappointed when our husband or wife doesn't possess the secret code to intimacy either,” writes Weiss.

In this 30-day, step-by-step guide, Weiss uses his biblical knowledge and counseling experience, to help couples strengthen their relationship with Christ, which will in turn deepen their relationship with each other. “I have been married for many years, and as we have applied these principles to our marriage, we have continued to grow closer and stronger together,” states Weiss. “Throughout the years, these principles have given life to my wife, to many of my clients, and to me.”

“Understand that passion is a result of setting priorities. Too many people attempt to get back the passion instead of getting back their priorities. Once you get the priorities back, the passion follows and grows naturally,” Weiss declares.
