

33,000 Atomic Bombs?

Have you ever wondered what it would be like to experience darkness during the middle of the day? No, I'm not talking about what happens during a solar eclipse but something entirely different—and groundbreaking. Some of my friends watching this video may have experienced this. Go with me on location as we explore the important Bible lessons that can be learned from one local “natural disaster” that took place on May 18, 1980. {eoa}
