

5 Keys to Unlock Your Difference-Making Identity

2020 brought chaotic assaults relentlessly upon your heart, inner man and powerful spirit. I see you wondering if you can ever shine again.

The pressure to cower, slink back, fear, cover your mouth, hide your face and shush your voice escalates with a fierce agenda to shut you down completely.

Don't go there my friend.

In this pressure, right now, I urge you to stand up, muster the courage you have and shout, "No, devil. You can't have my life. My best is yet to come, and it's coming out in 2021!"

The reality is you were born for this moment. God has been grooming you to show off His glory. There is a plan, a future and a path for you to move forward in this very moment. And the world longs to see your glory.

"The entire universe is standing on tiptoe, yearning to see the unveiling of God's glorious sons and daughters" (Rom. 8:19, TPT).

I coach company leaders, business owners, teachers and lawyers, busy people who pray to stand against the pressures of the world and shine bright. People pay me to help them get their life on track, clear up goals and align vision and courage to make a difference in the world. This Christmas I got a text from a client whose business grew over 30% in the middle of what was labeled as an economic crisis. You don't have to accept the world's definition of reality. There's a higher vision for difference-makers who are willing to look into it and shine God's glory inside of the doom and gloom of Wall Street.

Heaven knows we need difference-makers in every part of our stressed world.

The need is so great that I devoted a special podcast to help you get a handle on how to move forward. It's called *5 Keys to Empower You in the Chaos*.

While many are scrambling to try to get a foothold in life as so many things change, I wanted to invite you to receive these 5 keys to help ground you to move forward.

Key No. 1 is about owning your identity. It's time to show the world who you are, the son or daughter of God on earth for this very time.
