

7 Things for Which to Thank Your Wife

We men can be notoriously bad at thanking people, starting with the person we love the most: our wife. Here are seven quick things we can thank our spouse for, one per day for the next week:

1. "Thanks for putting up with me and for loving me. I know I am not always easy to live with."
2. "Thanks for all you do to provide good food for our family to eat."
3. "Thanks for all you do around the house. You do a great job keeping things clean and organized."
4. "Thanks for pouring your life into our children and making that tough but worthwhile investment."
5. "Thank you for all the times you have prayed for me. Please keep it up!"
6. "Thank you for being wise with our finances to give our family a bright future."
7. "Thanks for being you, for putting your family first, and for looking so gorgeous while you do it!"
