

72 Hours of Prayer and Worship, Tour the Holy Land

Have you always wanted to visit Jerusalem,
but it's never been the right time?

There couldn't be a better time than right now!

Gather your friends. Rally your family together. Let's explore the Holy Land and gather in Jerusalem for **Awake Jerusalem**, three days of non-stop worship and prayer.

It's been 70 years since Israel became a nation. It's been 50 years since Jerusalem reunited. Now Christian leaders like Robert Stearns, Rick Pino, Misty Edwards, Teo Hayashi, Eddie James, Ray Hughes, Karen Wheaton and others from all over the world are calling worshippers home for 72 hours of prayer and worship in the Holy Land. It's part of a strategic movement to rebuild the Tabernacle of David as described in Amos 9:11-14, and you can be a part of it.

Believers from around the world will travel together across the land of Israel and watch the Bible come to life. Sail on the Sea of Galilee, walk on the Mount of Olives, pray in the Garden of Gethsemane. We will then gather in Jerusalem worshipping and praying at strategic sites including:

- The Southern Steps of the Temple Mount

- The Garden Tomb
- Yad Vashem (The World Holocaust Remembrance Center)

You will also be a part of the Jerusalem celebration of the global **Day of Prayer** for the peace of Jerusalem, which will be televised around the world by GODTV.
