

9 Words in the Bible That Every Atheist Should Have No Problem Embracing

Chaos. Confusion. Anger. Bitterness. Division. We're experiencing some truly painful paradigms in the modern era.

These emotions and realities are, of course, nothing new and have ebbed and flowed in their intensity and cultural presence throughout human history. Meanwhile, the solutions have actually remained *entirely constant*.

The Bible is filled with transformative information that, when properly applied to individuals' lives, changes not only hearts, but also collective societies, as the Scriptures serve as an essential guiding light. {eoa}
