

90 Minutes in Heaven

By Don Piper and Cecil Murphy | Revell | \$

The best-seller *90 Minutes in Heaven* chronicles Don Piper's experience of death, heaven and recovery. According to the book, Piper was driving home when he was involved in a traffic accident with a tractor-trailer. His car was crushed, and he died instantly, medical professionals said. As he lay lifeless, Piper was in heaven experiencing its glory, beauty and music.

Ninety minutes after the accident Piper returned to life as a minister prayed for him. Piper's memory of heaven was blissful, yet his faith was tested as he faced an uncertain and grueling recovery.

This DVD presents a seven-week study course on heaven, based on Piper's book. Participants are encouraged to discover the wonder and joy of earthly life as they live with the expectation of what God has prepared in heaven. This new perspective will help believers see life's problems in a whole new light.
