

A Distant Melody

Sarah Sundin | Revell

In *A Distant Melody*, first-time novelist Sarah Sundin mixes history, romance and a lesson about waiting on God for His perfect will to be fulfilled.

Sundin brings World War II-era England alive with romance. Allie, who is betrothed to Baxter in an arranged marriage, goes off for the week to her college friend's wedding. Meeting a fighter pilot who shows her what love is all about, she begins to forget about her fiancé. Throwing caution to the wind, Allie finds the courage to follow her heart.

As Walter honors his commitment to serve his country, Allie strives for love at all costs.

A Distant Melody is the first in the fictional "Wings of Glory" series centering on the three Novak brothers and the U.S. Eighth Air Force stationed in England during World War II. It's a great escape for readers, a romantic story filled with inspiration, love and adventure.
