

A Garden of Love

✖ by Thomas B. Clarke

A delightful and compelling book – written with love using beautiful prose, flower photographs, Scriptures, and symbolism – that allows our senses to experience softness, gentleness, peace, and intimacy of Christian love. Expresses our deeper feelings by allowing the love of our Lord to flow over us – reveals God’s love and elicits a heartfelt response. Authored by the caretaker of a prayer garden.

“What is important is faith expressing itself in love.”
(Galatians 5:6)
