

A Nation in Crisis

✖ A Nation in Crisis

Chuck Bates and Larry Bates

Excel

The reality established in *A Nation in Crisis* is that the United States is in a real mess in the areas of money, politics and religion. Fortunately, after a short glimpse of how the nation got into its predicament, the authors don't leave readers despondent, but offer hope with credible information on economic principles and how to achieve personal and family security, regardless of the dangers facing us.
