

A New Tool to Help You Disciple Others

During the worst of the pandemic in 2020, Lee Grady led an Indian man named Mahipal to faith in Jesus and began discipling him. A few months later, the man's Indian boss, Venkat, also decided to follow Jesus after watching the change in Mahipal's life. At that point, Grady began writing a Bible study to help these men understand the basics of Christianity.

Grady then expanded the study, which consists of 30 short lessons on the character of God, the Trinity, what Jesus did for us on the cross, the Resurrection, water baptism, why the Bible is the Word of God, why we need the church, the priority of prayer, the baptism of the Holy Spirit and many other topics. Published as a companion book with Lee's 2022 book *Follow Me: Make Disciples Like Jesus Did*, the Bible study releases in May from Charisma House.

"People often ask me what book they can use to help a new Christian grow strong," Grady says. "There are many great resources out there. I wrote *Let's Go Deeper* especially for people who don't have a faith background, or they don't know much about the Bible." The Bible study, which includes fill-in-the-blank questions as well as discussion questions for a small group, can be used with teens as well as adults of all ages.
