

A Prophecy to Reignite Your Holy-Spirit Fire

Everyone wants to be loved. When I think about the world, I think we all have one thing in common: We want to be loved. Whether you are a Christian, a business professional or even someone practicing witchcraft, we all have a common need, which is love.

People need to be edified and need words and encouragement spoken into them that will produce life. We have been surrounded by negativity and can feel down and discouraged at times. When we feel our prophetic destiny is stalled and when we don't know how to press through to our breakthrough, we can feel stagnant.

I believe many of us seek a prophetic word because we desire the Lord to speak to us and tell us what is on His heart for our lives. In the season we are in, people need encouragement and the light and love of God imparted into them. It cranks us up and pumps us up and gives us the drive to keep going. In this prophetic episode, Kathy releases powerful life-sustaining and activating words inspired by the Holy Spirit. Be encouraged and set on fire as you listen to this prophetic word from the Holy Spirit.
