

Actress Leah Remini Tells the Truth About Why She Left Scientology

Leah Remini took her turn on Oprah's *Where Are They Now* and opened up about her leaving of Scientology two years ago.

After more than 30 years in the organization, Remini says she's still undergoing an extensive amount of healing.

Her family suffered because of the church, she says.

"It formed who I am, good and bad," she says. "It formed how I think, good and bad."

Watch the video to see what else she says.
