

Adele Proves Idol Worship Is Very Much a Reality

While the rest of the internet virtually lost it over Beyonce's *Lemonade*, pop star Adele held off. But not because she wasn't impressed.

Actually, she was too "speechless" to say anything.

"Beyonce is the most inspiring person I've ever had the pleasure of worshipping," Adele shared on Instagram. "Her talent, beauty, grace and work ethic are all in a league of their own. I appreciate you so much! Thank god for Beyoncé X."

Adele's comments ignited a firestorm of responses from her fans.

One fan wrote, "Lowercased g, upper cased B? Only God is to be worshipped, artists are to be admired."

"(P)erson wrote that Adele's caption has a lowered case g in God.. When referencing God, it's always capital worshipping Beyonce this way is disrespectful to God and all those who believe in Him and Jesus Christ," wrote on fan.

Another: "She's now saying that Beyoncé is a god . Can worship people and things and not hold them to the level of God . Do you know what worship means ?"

And another: "!!THESE DEVIL WORSHIPPERS ARE STARTING TO THINK THEY'RE GODS,ITS TIME TO STOP THEM BEFORE ITS TOO (expletive) UP!!!!!!!!!!!!!!!!!!!!!!!!!!!! THIS IS ALL UR FAULT FOR IDIOLZING THEM THE WAY YALL (expletive) UP!!!!!!!!!!!!!!!!THESE ARE PEOPLE THAT THINK THEY ARE GODSWAKE (expletive) UP!!!!!!WHAT MORE PROOF DO U NEED."
