

All Lives Are Sacred

How much does our society truly value human life? In this new episode of *Truth Talks*, Pastor Ché Ahn shares a heartfelt message about the No. 1 social issue of our time: abortion. “I believe that if we see a pro-life movement like never before,” says Pastor Ché, “we are going to see revival and reformation in America.”

All throughout the Bible, we see how much God values life because every human being has been made in God’s likeness. Genesis 1:27 says, “God created humans in his own image. He created them to be like himself.” We see in Scripture that not only has every child been made in the image of God, but every life begins at conception (Lev. 17:11; Ps. 139:13-15).

In this timely message, Pastor Ché Ahn unpacks the vision of the new pro-life movement 1RACE4LIFE. This movement is all about unifying the diverse members of the body of Christ around the biblically based truth: “All lives are sacred, including the unborn.”

You will be inspired to make a difference and create a legacy of life for the next generation as you take a bold stand for life today!
