One of the major things Grace discussed in her prophetic warning was the coming of a “red flood” and its relation to Israel.

“...And says the Spirit of the Lord this day, ‘What they plot around the time of October, phase two of the red – be sober-minded and vigilant for those within your cabinets have given information to proxies, a multi-city attack has been plotted in other countries,” Grace prophesies.

“The fork-tongued dragon is out to hunt, says the Lord,” she continues. “Now, the fork-tongued dragon, Marduk, who the Babylonians worshipped was known as the forked-tongue and smoke, Jerusalem, says the Lord. Jerusalem. Pray My children for Jerusalem. That is the honeypot and the purse prize, and they plot greater around October Awe.”

Not only does Amanda Grace give a warning to pray for Jerusalem against this dragon, but she also gives spiritual insight for America as well.

"Nations have cast lots for the destruction of America and its leadership. And these nations have sweetened the pot now for the wicked to go one more time around the mountain," Grace says.

Grace then mentions the issue of the occult coming in to influence our nation.

"They have brought the occult and Santeria and witchcraft into states at play in order to attempt to spiritually shift such, says the Lord," Grace prophesies. "I, the Lord, am nullifying that attempt and it shall be a dark storm and condemnation that rushes back upon them. For I am God; there is no other."

During these uncertain times and an even more uncertain election, it is critical for God's people to seek His face in all honesty and repentance, praying for the sake of America and Israel.
