

America About to Enter 4th Crucible

Businessman and entrepreneur Lance Wallnau says America is about to enter its fourth crucible, and Donald Trump will play a significant role.

“What is the future for America?” Wallnau asks of his new book, *God’s Chaos Candidate*. “I put this book off. Imagine, I could have done it six months ago, and the Lord said, ‘Release it ... during the Feast of Trumpets.’”

Wallnau says he spent time in prayer to come to this conclusion about the future of America.
