

An Essential Guide to the Gift of Healing

Ron Phillips

Many believers question how the Holy Spirit's power actually works in our lives. In *An Essential Guide to the Gift of Healing*, Ron Phillips explains a facet of this by exploring the gift of healing and providing clear and comprehensive biblical background and support for the practice.

A Spirit-filled Southern Baptist pastor, Phillips brings balance to the topic, examining the many avenues that lead to healing and health. Filled with illustrations from Phillips' own life and the lives of others, this guide reveals God's power to touch and heal lives—even today. Though the Bible is filled with miraculous accounts of healing, many believers overlook Christ's promise that they can do even "greater works than these" (John 14:12). Yet as Phillips contends, the Holy Spirit who activated miracles in the early church is the same Holy Spirit who equips believers today.
