

Angelic Activity Rising in the Season

There is huge angelic activity being seen in this season. Over the weekend and this week, I keep seeing angels holding “torches” of fire. They are standing waiting beside the people of God and as they worship and press in, these angelic hosts lean forward with their torches and they place these torches on the hearts, minds, eyes, mouths, feet, hands and ears of the people of God.

There is *significant* and *sudden* increase of His fire over the people of God, bringing sudden alignment in the spiritual “senses” of God’s people.

As these angelic hosts bend down while you worship and press in, they are igniting your...

Hearts: They are burning away lies; they are igniting truth and setting fire to the seeds of the Word you are sowing into your heart releasing exploding revelation.

Minds: They are igniting deeper revelation of the truth that we have the mind of Christ and releasing divine heavenly wisdom and strategy. Racing thoughts and tormenting thoughts are being broken as the people of God align their minds with the Word.

Eyes: Sight-defying natural atmospheres. Sight to see into the *unseen*.

Mouths: Increase in declaring the Word and messages of His heart with greater boldness and conviction. There is a greater anointing on declaration for breakthrough. There are words flowing that break through impossibilities, opening up new levels of the supernatural.

Hands: There is an increase in the expression of giftings; new levels of release in the giftings of God in lives and greater conviction to pull down by faith what is ours in Christ against injustices and impossibilities. There is a new level of favor upon “what we put our hands to” as we are led by Him and we steward what has been before us. There are huge breakthroughs and increases in healing and those with healing anointings are moving into new levels of increase. There is greater increase in finances; an abundance to give and release more.

Feet: To go further than you have ever been before. There are new paths, new realms, new doors and new opportunities to take more ground, to see His Kingdom established through you further than ever before with signs and wonders following you. It’s to see your feet move into the enemy’s camp with greater victory and take back what He has stolen. It’s to take the gospel further than you have before. There is greater ground being taken for the Lord.

Ears: To hear at a deeper level than you have heard before—distraction, static and noise being removed, which releases a greater clarity to hear what the Lord is saying and what He is doing in the Spirit. There are new levels of accuracy.

Greater encounters of His fire are being released upon you, releasing you suddenly into this new season through Rosh Hashanah. What has held you back in the past season is being suddenly burned away. He is coming as an all-consuming fire and bringing the deep level of refining and purifying to release you into the new.

These angelic hosts with their torches of fire are heralding and signaling your entrance into the new season, to go deeper than you have ever been. Further and wider than you have ever been before and to soar to heights and levels above and beyond what you have dreamed about.
