

Angelic Hosts Are Stirring in the Waters of America

I saw the Lord's heart for the United States of America to be raised up as a flag of testimony to other nations. As much as it is steeped in such darkness and has moved away from its first love, Jesus, it **can be turned back**, in Jesus name.

The Lord is wanting to bring about a great **turning** in the United States and set her high on a hill to shine to all the other nations of the world, releasing a **Song of Victory** across the entire earth that a nation **can** be turned around by the power of prayer and His people moving together in one accord in intercession.

As the people of God prayed and cried out to the Lord, I saw angelic hosts in the core of the United States of America and they were stirring the waters. They were stirring the waters to bring healing and restoration into the nation. As the people of God cried out and prophesied His words, living in the divine echo of what He was saying, these waters were then being released into many parts of the USA. The Lord wants to heal the land of the United States, bringing life again into places that have dried up and died.

I then heard the Lord say, "Do you believe these dry bones can live?"

"He said to me, 'Son of man, can these bones live?' And I answered, 'O Lord God, You know.' Again He said to me, 'Prophecy over these bones and say to them, "O dry bones, hear the word of the Lord." Thus says the Lord God to these bones, "Behold, I will cause breath to enter you that you may come to life. I will put sinews on you, make flesh grow back on you, cover you with skin and put breath in you that you may come alive; and you will know that I am the Lord."' "

“So, I prophesied as I was commanded; and as I prophesied, there was a noise, and behold, a rattling; and the bones came together, bone to its bone. And I looked, and behold, sinews were on them, and flesh grew and skin covered them; but there was no death in them. Then He said to me, ‘Prophecy to the breath, prophecy, son of man, and say to the breath, “Thus says the Lord God, ‘Come from the four winds, O breath, and breathe on these slain, that they come to life.’” So I prophesied as He commanded me, and the breath came into them, and they came to life and stood on their feet, an exceedingly great army” (Ezek. 37:3-10).

The Lord wants us to align with Him, with what He is saying—to declare and **believe** that the dry bones of the United States of America CAN live.

The four winds of God are coming to breathe upon the United States of America. Strong winds will be seen in the natural as a prophetic sign of the four winds of heaven coming into the USA to **break** the hold of the spirit of death over the nation and bring it to **life again**.

People of God, it is **important** in this time of prayer and fasting to be declaring the things the Lord shows you over the United States of America. The destiny of the United States hangs in the balance. He is asking His people, “**Prophecy to these dry bones**.” Put your ears to His chest and listen to what He is saying and **speak it out**. Be the echo of heaven over this beautiful nation.

I then saw many of the people of God so discouraged and despaired over the government of the United States of America.

I saw Jesus come to each one, one by one and He took them in His arms and He spoke with such love and kindness and He said:

“It is not over yet. Not all is lost. Continue to declare My goodness, My kindness and love into the White House. Continue

to declare encounters with My love and goodness into the White House.”

I then saw Daniels arising all over the world being raised up for such a time as this to move into governmental arenas in the United States of America bringing His hope, His love and His goodness into it. I saw as these Daniels were rising up and moving into governmental areas and there was a wave of His love moving into the White House.

Encounters with Jesus are coming into the White House as the people of God pray. It is not over yet. Not all is lost. Continue to declare His goodness, kindness and love into the White House. For the Lord desires the White House to be a place that is governed from purity and righteousness. He has not given up on the White House and He does not want His people to give up on it too. A shaking is coming to the White House and as the people of God pray, the shaking may tip into God’s desire and destiny for the United States.

People of God, you have been prepared for such a time as this. Your hands have been trained for war and fingers for battle. He is calling His people together in unison to declare and sing a song of victory over the USA. Sing a song of victory even before you see it. The army of God is moving forward. This is a significant time in the United States history. United States of America, it’s time to **come to life!**
