

Anne Graham Lotz: 3 Sins America Refuses to Repent For

God is abandoning America, Anne Graham Lotz says, because we abandoned Him and refuse to repent for three specific sins: abortion, abandoning Israel and gay marriage.

“I don’t think we are too far gone, but I believe we are reaching the point of no return,” Lotz said in a video.

The evangelist says our country easily fulfills Romans 1, which details how God gave man over to sin.

“God just backs away and gives us over in His first path in this downward spiral to sexual immorality. That is the sexual revolution, that is free sex, which actually is very expensive,” Lotz says.

“When we refuse to repent of our sin and turn to God, then in [Romans 1] verse 26, God gives us over to sexual depravity, which is what we see all around us today. Then, we refuse to repent of our sin and turn to God.”
