

Apes and Ragamuffin: What Movie Is Good This Weekend?

Bob Waliszewski, director of Focus on the Family's entertainment review department Plugged in Online, discusses the highly anticipated *Dawn of the Apes* and the new DVD release *Ragamuffin*. Click play to watch.

Dawn of the Apes reprises the classic *Planet of the Apes* series. *Ragamuffin* is an independent film about the life of the late Christian music artist Rich Mullins.

Are either good for the family? Watch Waliszewski's take, on CBN News Today, July 11:

Watch an interview with Rich Mullins' brother, David Mullins, about the movie and song artist's continuing legacy [here](#).
