

Are Demonic Curses Blocking Your Financial Miracles?

Pastor John Kibler says after he spoke a blessing over the life of a man who lost his job, the man received a phone call the next morning that “changed his whole life.” Jesus loves to do financial miracles, Kibler says. But first, you must get the curses over your life broken.

“Some demons and curses block the blessings of God,” Kibler says. “Once they are removed, the blessings can flow. And that in itself is a huge miracle.”

So, how do you get the curses removed? One way is to receive prayer, and Kibler’s ministry can provide that, he says on the *Receiving From God* podcast on the Charisma Podcast Network.

” ... You need a financial miracle today? You call me. I will get it for you. Glory to God. Now that’s a pretty good offer.”
