

Are the Rap Attacks Against President Trump a Sign of the End Times?

First Snoop Dogg pretended to assassinate President Donald Trump in a recent music video. Then, his nephew and fellow rapper Bow Wow threatened to “pimp out” the first lady over Trump’s response to Snoop.

The disrespect to the highest office in the United States may be a sign of the end times, *Revelation in the News* hosts say. Could this be a spirit of chaos rising?

“News is getting crazy, and people are upset,” Jim Bakker says. “I’ve never seen America like this. I’ve never seen news that makes me so mad ... this is despicable!”
