

# Are You Called to be an Ambassador of Love?

There's been a shaking across the earth and, in the midst of it, a cleansing. The Father is calling to His sons and daughters, asking, "Who will go for us?"

Leif shares the urgency that Papa God has placed in his heart to raise up those who know who they are and what they have; those who will bring the love of God to the ends of the earth.

Love is the culture of heaven and honor is what love looks like expressed on earth. Are you willing to become fluent in the language of love?

Not everyone is called to represent a country but everyone is called to represent King Jesus and extend the kingdom. Every believer is commissioned to make the earth look like heaven.

In order to represent the kingdom of heaven, you need to go on a journey into maturity, which includes getting to know yourself and becoming familiar with Papa God's character and heart.

What do you see? Are you seeing the size of the problem or are you seeing how big Papa God is?
