

Are You Even a Christian If You Don't Do This?

As we rapidly catapult toward the end-times, expert John Shorey highlights one aspect of Christianity that is only going to intensify during the tribulation—helping the needy.

“What donned on me was, if we are not meeting the needs of the needy before the tribulation, what do you think God’s going to do?” Shorey says on *The Jim Bakker Show*. “The tribulation starts and God’s going to all of a sudden zap you and you’re going to have love and compassion for the needy?”

We have the needy all around us now, but do we acknowledge them? Do we serve them?

“If we don’t start acting like this now, who are we? Are we even Christians?”

Shorey has multiple Scriptures to back his argument. Watch the video to see what they are.
